

POWER CLEAN 5

Industrial Strength Multi-Purpose Cleaner

Power Clean 5 was originally developed for the hospitality industry to decrease the long list of chemicals required to service the industry. Industrial strength and a level above all other general commercial solutions, Power Clean 5 provides better results for a lower cleaning unit cost.

**BIO-DEGRADABLE
AND ECO-FRIENDLY**

**MULTI-SURFACE
DEEP CLEANING
AGENT**

**DECREASE COSTS,
SIMPLIFY CLEANING
NEEDS**

**USEFUL IN A VARIETY
OF INDUSTRIES:
COMMERCIAL,
INDUSTRIAL, AND
TRANSPORTATION**

**YOU WILL BE AMAZED
WITH YOUR RESULTS**

| Heavy Duty Cleaning: | Ovens, BBQs, concrete oil stains, bathtubs, sinks, laundry pre-spray, and more |

Recommendations For Use

Power Clean 5 is a high density, concentrate that can be diluted with water. It's suggested to apply full strength than cut by 25% with water until desired results. Less is more with this product.

Apply to area, let Power Clean 5 do its thing for a minute or two, and wipe or mop away. If you are working too hard, increase solution density. Let the enzymes in Power Clean 5 do the work for you.

Product Specs:

| Item # | Size | Qty |
|----------|--------|-----|
| 0366PC5B | 1 gal | 4 |
| 0366PC5C | 5 gal | 1 |
| 0366PC5D | 55 gal | 1 |

Technical Data:

| | |
|-----------------|---------------|
| VOC Content | 0.4 lbs. |
| Grams Per Liter | 48 |
| Flashpoint | Non-Flammable |
| CA Compliant | Yes |

Ref. 123117
