

# POWER CLEAN B

## Industrial Strength Multi-Purpose Cleaner

When nothing else works, break out the big guns! Power Clean B is a truly industrial strength product. This bio-degradable, eco-friendly solution fights its way underneath tough to clean dirt, grease, and grim lifting them away, leaving a squeaky-clean surface.

Product Uses:	
General Cleaning:	Floors, wood, tile & grout, vinyl, countertops, marble, granite, and more
Heavy Duty Cleaning:	Mechanical parts and engine degreasing, transmissions, restaurant hoods, diesel, oil, soot, concrete stains, oven door burn glass, curbs, foggy headlights, and more

## Recommendations For Use

Power Clean B is a high density, concentrate that can be diluted with water. The product ratio is 1 to 30 while remaining at full strength. Less is more with this product.

Dilute the Power Clean B to desired cleaning strength and apply directly to the contaminated area. Allow it to sit for 2-3 minutes to loosen dirt and grime before wiping or mopping the surface. If needed, soak those greasy, grimy parts in Power Clean B and rinse away your troubles.

If you are working too hard or the cleaning isn't satisfactory, repeat process and adjust the cleaner strength.

Product Specs:		
Item #	Size	Qty
0366PCBB	1 gal	4
0366PCBC	5 gal	1
0366PCBD	55 gal	1

Technical Data:	
VOC Content	1.3 lbs.
Grams Per Liter	96
Flashpoint	Non-Flammable
CA Compliant	Yes

Ref 123117
